

Help us wish our community members a Happy Hanukkah!

- Print out one or all of the coloring pages & cut each page in half. There are designs for all ages to color – kids, tweens, teens & adults!
- Color each side.
- Fold two or more pieces of construction paper in half.
- Glue one colored side to the front of each folded construction paper card.
- Write a short Hanukkah note inside each card, or write your name inside.
- Mail completed cards to us by December 1:

We'll take care of the rest by delivering them to community members in need in partnership with Kind Kitchen.
